At the end of the term of this Service, for any reason whatsoever, HANDYHOST shall entirely delete all the services of the Customer.

The Service may also be restricted, limited or suspended when the specific terms and conditions applicable to a type of Service offered by HANDYHOST provide for such sanctions in the event of a breach.

The restriction, limitation or suspension measures shall always be taken in accordance with the seriousness or recurrence of the breach(es), and shall be based on the nature of such breach(es).

The Customer agrees in advance that HANDYHOST may restrict, limit or suspend the Service offered if HANDYHOST receives a notice in that regard from a competent administrative, arbitral or judicial authority, in compliance with the laws and regulations in force.

Either Party may terminate the Agreement, as of right and without indemnity, in the case of a Force Majeure event lasting more than thirty (30) days.

HANDYHOST reserves the right to interrupt the Service, as needed, for technical interventions designed to improve its operations, or for maintenance procedures.
